I beg to acknowledge receipt of your favor

also.

The circular letter addressed to E. Consalez at 38 Pine Street has been returned for better address. After looking in the file I redirected the circular to c/o Mercantile Bank of the Americas, Inc., 44 Pine Street, New York. If this circular does not come back, I think we ought to change the address on our cards, etc., but it would be well to wait a week or more before doing so. In any event 38 Pine Street is not his address now although it was at the time he signed his membership application.

Dear Sir:-

Our Society, like all similar organizations, has felt severely the rising cost of maintenance during the past two or three years. Through the generosity of a number of our members we will probably be able to meet our increased liabilities. We will however, be much helped in doing this by the prompt payment of the dues of our members. The enclosed is a bill for your membership dues for 1920. We would appreciate it greatly if we might have an early reply.

Very truly yours,
